

# All-American Dairy Show opens Monday

HARRISBURG — Rich in tradition and blue-ribbon quality, the Pennsylvania All-American Dairy Show marks its 22nd anniversary at the Farm Show Complex in Harrisburg, September 23-27. Known as the Premier Showcase of North American Dairy Animals, the show attracts spectators and exhibitors from 30 states and Canada.

The cream of all major breeds are expected for several national shows held in conjunction with the annual exposition. Included in the schedule are the Eastern National Brown Swiss Show, National Guernsey Show, Eastern National Holstein Show and the Eastern National Milking Shorthorn Show. All of the national shows feature junior divisions.

Also slated for the week are the Pennsylvania All-American Jersey and Pennsylvania All-American Ayrshire Shows. Total premiums this year will reach \$74,600.

Competition can also be found outside the show ring. Young dairy specialists from around the

country will participate in the All-American Invitational Youth Dairy Cattle Judging Contest. The 17th edition puts 4-H, FFA and collegiate team members in a situation that tests their dairy cattle knowledge and communication skills. This competition is considered one of the best of its type in the nation.

All activities during the All-American are free and open to the public:

Monday September 23: 8 a.m. - Invitational Youth Judging Contest; 9 a.m. - Pennsylvania Junior Dairy Show; 7 p.m. - All-American Banquet; Eastern National Milking Shorthorn Junior Show.

Tuesday, September 24: 9 a.m. - Eastern National Brown Swiss Show; Eastern National Milking

Shorthorn Show; 10 a.m. - Pennsylvania 4-H and FFA Dairy Judging Forum; 1:30 p.m. - Pennsylvania Elite Ayrshire Sale.

Wednesday, September 25: 9 a.m. - National Guernsey Show; Pennsylvania All-American Ayrshire Show.

Thursday, September 26: 9 a.m. - Pennsylvania All-American Jersey Show; Eastern National Holstein Show through the dry cow classes; 7 p.m. - All-American Holstein Sale.

Friday, September 27: 8 a.m. - Eastern National Holstein Show milking and group classes.

The Pennsylvania Dairy Princess Banquet and Coronation will be held on Tuesday evening at the Harrisburg Marriott, with advance tickets required at \$14 per person.

## Peach growers eligible for Emergency loans

CARLISLE — Peach growers in Adams, Franklin, Cumberland and Perry Counties who lost all or part of their crop because of weather conditions are eligible to apply for Emergency loan assistance.

Unusual fluctuation in winter

temperatures combined with a spring freeze on May 3 and 4 damaged or destroyed much of this year's peach crop in these counties.

According to Farmers Home Administration county supervisor Kermit Moyer, emergency loan applications may be submitted to

the local Farmers Home Administration office until the close of business on April 7, 1986.

Actual loss loans will be made at five percent interest for the first \$100,000 and at eight percent for any amount over \$100,000 for applicants unable to get credit

elsewhere.

For those who can get credit elsewhere, actual loss loans will be made at 13.125 percent. Actual loss loans may not exceed \$500,000.

Applications may be filed at the Farmers Home Administration office at 704 Carlisle Pike, Carlisle, Pa. Call (717) 697-0795.

DEALER INQUIRIES INVITED

## If you knew how to make an extra 50¢ a bushel on your corn, what would you do?

Being the wise farmer you are you would investigate the claim is it true? what's the catch? Well it's pretty simple Investigate AeroDry

AeroDry is a proven reliable and extremely economical system for drying grain on your farm And it pays off for you in lots of ways

### 1. You make the profit grain elevators make.

With AeroDry instead of sitting in long frustrating unloading lines waiting to learn how much you're going to lose in dockage charges you simply load your grain non stop into your own bin No harvest slow downs No wasted time And your grain belongs to you so you can sell when it's most beneficial

### 2. Low cost drying.

Compared to any heat-drying unit AeroDry uses only about 25% of the energy to do the

same job and does it better The-AeroDry Computer controls fan-forced fresh air to dry grain naturally You pocket the savings

### 3. Premium test weights.

Your grain stays perfect undamaged by heat and cracking protected from mold by evaporative cooling That means the highest possible test weights for you And that means money

### 4. Long term profit.

An AeroDry System pays itself off in about 3 short years Then it's pure profit Clean and simple year after year

Now that you've got an idea how to make an extra 50¢ a bushel on your corn what will you do? Being a wise farmer you'll investigate AeroDry Send for more information today or call for a local rep to give you the rest of the good news about AeroDry
