## GET UP TO 25% MORE GRAIN WITH 6" SEED SPACING

Drill With The Case International "5100 Special"

Outstanding accuracy begins with IH feed cups that deliver seed uniformly. Dual rib press wheels then compact the soil around the seed and gently "pat" the top to prevent air holes. The result is uniform germination and an emergence toward higher yields.

- 60" diameter rotor
- 30.5 inch extendable hopper
- Easy drive-in convenience
- Automatic air inlet
- Direct 540 R.P.M. PTO line
- Wheels adjust for clearance, leveling and height

## CASE IH MODEL 600 FORAGE BLOWER

Capacity to match tall silos
