BINKLEY & HURST BROS., INC.
Your Dealer Who Stocks Your Needs

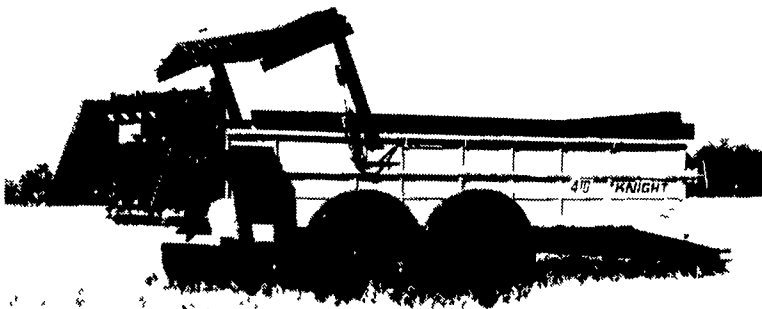

252 MANURE SPREADER

"350" MANURE SPREADER

"410" MANURE SPREADER

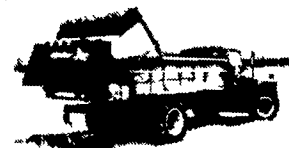

Dairymen and cattlemen alike have found that
increased capacity and the maneuverability of the
#410 spreader advantageous to their operations

The #410 offers the low profile of the model #350
yet carries a larger load — 20' longer and 2
deeper 4' x 6' hardwood top rails are standard
Available with 8 bolt 20" tandem wheels or the
#410 may also be truck mounted

The box construction is heavy duty all steel with
10 ga. bottom and 11 ga. sides welded as one unit
Heavy auger style beaters with alloy steel ripper
teeth shred frozen manure for easy spreading
Hydro fluid endgate seals sloppy manure Auger type
top beaters spread that extra high load

You can expect top performance and you'll get it
from the Knight #410 manure spreader

The model #410 may be truck mounted
for those operations that need a self
propelled unit (Model #350 shown)

*You can
depend
on a
Knight*
