Eliminate Fencing Problems WITH

ARC SOLAR FENCING

NUMBER 1 CHOICE OF NEW FENCING BY AMERICAN FARM & RANCH OWNERS

The Arc 12 Solar system allows us to safely run our stallions next to the mares eliminating time and labor on try backs.

• Eliminates fence sagging
• No staples or wire clips
• Adjustable enclosed spring assembly for each wire
• Optional site rails™
• Optional Arc 110 Volt multi wire unit
• Installed by trained dealers
• Fully guaranteed by warranty

The ARC 12 Fence is a new concept in livestock fencing. Using free energy from the sun, the solar powered solid state unit keeps a powerful 12 volt battery charged for effective shocking. Special non-conductive white plastic posts are attractive and extremely durable, capable of being bent 45° and returning to their original position. Using smooth 12 gauge high tensile wire eliminates injuries from barbed wire.
