

W-W'S SUPER APACHE CHIPPER/SHREDDER/GRINDER COVERS MORE GROUND, CLEANS UP MORE GROUND COVER.

If you've got a Category 1 or 0 tractor with 10-to 28-hp and a 3-point hitch, we've got a Chipper/Shredder-Grinder to harness it. Actually three machines in one, the Super Apache *shreds* plant waste to provide you with mulch or compost; *grinds* animal feeds, bedding, etc.; and *chips* tree limbs up to 3" thick for decorative mulch.

Built on a rugged cast iron frame, the Super Apache features a heavy-duty 20" cylinder with 24 reversible carbon steel hammers, and a 1/2" chipper flywheel of plate steel with **two diamond hard** tool steel blades.

Call for more details or see your W-W Grinder dealer first chance you get.
