Huge Planter Savings with John Deere IRAs (Inventory Reduction Advantages)

During John Deere's factory authorized inventory clearance you can save thousands of dollars on a new John Deere Max-Emerge planter. And John Deere IRAs make the deal even better.

Max-Emerge planters started as a promise from John Deere to farmers. Actually, several promises.

- Consistent planting depth
- Positive seed/soil contact
- Uniform germination
- Maximum emergence

Now you can get all this and great prices, too. The best planters we've ever made are now value-priced like never before. These are the market leaders - not "also rans". More than a million rows have been put to work.

JOHN DEERE FACTORY AUTHORIZED CLEARANCE

JOHN DEERE FRONT MOWERS

Engineering Excellence
Mowing Productivity
2-Year Limited Warranty

When mowing productivity really counts, count on a John Deere Front Mower. The F910 and F930 Front Mowers were designed from the ground up to be productive, versatile and durable mowing machines. Both are powered by reliable twin cylinder, air-cooled Onan engines — 20 hp on the F910, 24 hp on the F930. The F910 can be equipped with a 50 or 60 inch mower, the F930 with a 60 or 72 inch mower. All three

mowers feature adjustable mowing height, PTO shaft drive and deep contour deck design. Both the F910 and F930 have hydrostatic drive and power steering for easy operation and close-quarters maneuverability. And both are backed by a new 2-year limited warranty and our local parts and service support. See us soon for a test drive.
