#### Case International Bone Dry Charged Batteries

Why buy just any battery when you can buy one that's as fresh as the day it left the factory . . . and at low sale prices, too? During our Battery Blitz Sale, we offer special prices on our Case International Bone Dry Charged batteries. They're specially dried at the factory, so there's not one drop of acid in them during shipping and storage. This means you can forget about corrosion and premature discharge. You'll feel the difference with a fresh start every morning!
