### DE LAVAL® RATION MASTER™ II FEEDER

The next giant step in computer management of the dairy herd.

It's **Second Generation ...and second to none.** Added Capability Throughout The System.

**NEW FEEDING STATION FEATURES:**

- A Processor That Is Smarter Than Ever.
- Rolling Memory
- More Knowledge About Feed Consumption
- Important Breeding Information At Your Fingertips.
- A Better Way To Monitor Herd Health.
- Printed Reports Upon Command
- A Simplified Transponder

**SAVE \$5.50 On Water Bowls**

**Della-Matic™ WATER BOWL SALE**

Now you can make sure every cow has constant access to fresh water... and save \$5.50 on every bowl you install. This is high quality, standard merchandise, priced to help you save when you expand — with the features you want:

- Vitreous enamel cleans easily, resists rust.
- Equipped with filter screen.
- No springs to rust, need replacing.
- No pressure plate — unique automatic valve eliminates plate, stays cleaner.

**OFFER ENDS NOV. 30, 1985**

# Good News

FOR DAIRYMEN

De Laval Slashes Prices on the De Laval® 01 and Super-Flo™ Liners

When they say this is "Good News" for dairymen, they aren't kidding. These are 1979 liner prices—that's right. They're giving you 1979 liner prices because that's what you're getting for your milk today.

Special prices good now thru Dec. 15, 1985. Offer good only through participating dealers.

So if you haven't been using De Laval liners, for whatever reason, there's no better reason to start using them now. Prices won't be lower and we think these prices will even beat the low-ball prices of the "will fits."

So why settle for a substitute "will fit" imitation? A lot of "will fit" liners claim to fit any milker. Don't believe it. A liner designed to fit ALL milkers actually fits NO milker exactly. Don't be tempted by the "will fits"—they have nothing to lose, and you have plenty. Now you can have the best for less. But you need to act today!

Genuine De Laval liners are only available from your authorized De Laval dealer.
