\* In Lieu Of The Cash Price, Waiver Of Finance Available Until 5/1/86 OR 9.9% Interest Financing For Up To 36 Mos.

**SPREADERS Heal Themselves**

Scratch the painted metal surface of most spreaders and you have an "open wound" subject to corrosion and rust-through.

Scratch the galvanized surface of a New Idea spreader and the healing process of galvanic action begins. A layer of zinc oxide quickly forms to create a protective barrier.
