**AUTO/TRUCK DIESEL TREATMENT totally disperses water.**

**FPPF**

It eliminates water even better than water separators. It also keeps injectors clean, improves engine efficiency, and contains no harmful alcohol. Use it in every tankful all year 'round. IT COSTS SO LITTLE TO PROTECT SO MUCH. Use POLAR POWER from Dec thru Feb to prevent waxing and gelling. It also dispenses water. GAS TREATMENT treats leaded & unleaded gasoline. Totally disperses water and increases mileage.
