FLIES NOW, PAY LATER

Flies are more than just a nuisance. They can be a serious threat to the health of your livestock—and the size of your profits. Agway fly control products can help you combat fly problems now, before those problems take a bite out of your profits.

Best of all, right now you save 15% on a selection of Agway fly control products, including space sprays,

residual sprays, tapes and dust bags. Just order your products by March 31, 1986—for pickup and payment by April 30—and you'll save 15% on all of the products you order.

Work up your shopping list from the checklist below. Then visit your local Agway store, or check with your Dairy Route Salesperson today.
