## INTRODUCING THE NEW JOHN DEERE 100 SERIES

The \$115\* you don't spend this year will buy a lot more lawn tractor than last year

New John Deere 100 Series tractors offer you a lot more than last year's 100 Series and, in most cases for a lot less.

Five models in the brand new line sell for \$140 to \$170 less and two models sell for the same suggested list prices as their 1985 counterparts.

What's new for '86? Virtually every thing. Sleek styling with new hoodlines and sporty 2-spoke steering wheel. Fully enclosed 9- to 17 hp engines for quieter, more powerful performance. Full pressure lubrication and overhead valves on most models for better productivity and longer engine life. Choose 5-speed gear drive. Or no clutch, one lever hydrostatic drive. Either way the mowing is easy with sector and pinion steering, tight 21 to 23 inch turning radius and 30, 38 or 46 inch mower deck.

See us today. And get a real run for your money with a new John Deere.

Average reduction in suggested list price of 1986 100 Series tractors compared to 1985 models. Some models have larger individual savings, others are the same price. Actual selling price of each model may vary by dealer.
