

No matter what anyone says,
nothing is
"just as good as a John Deere."

"And ours is just as good as a John Deere" How many times have you heard that? When one manufacturer is so clearly the leader, that's the ultimate claim any competitor can make. But when you put all claims aside, there's nothing like a John Deere tractor with Caster/Action™ mechanical front wheel drive and 15-speed Power Shift transmission. No combine can match the productive efficiency of a Titan II. And the superior seed/soil environment created by Max Emerge™ planters is literally legendary. But so is the dealer support that's provided with everything in The Long Green Line™. Don't take our word for it. Ask anyone. We're happy to be judged by what we're known for.
