**Every farmer can keep one busy!**

**International 200 Series Tractors**

They're compact but surprisingly powerful to save you a lot of back breaking work. Husky 3 cylinder diesel engines give you the power and economy you need around the farmyard or in the city to do all types of jobs.

These are true farm style tractors with 3 point hitch, smooth shifting transmissions, hand and foot throttles, plus complete lighting and instrumentation packages.

The 540 RPM PTO is standard on all three models. The 244 and 254 also have an optional 1250 RPM FRONT PTO. For extra power and flotation Mechanical Front Drive (MFD) gives you full all wheel power for greater traction.

A fresh team for today's farmer

See us for 200 Series tractors, plus a full line of matching equipment!
