

York Farm Credit names Farm Records Specialist

YORK — Holly K. Hodge has been named to the position of Farm Records Specialist for the York Farm Credit Service, according to Jay V. Rush, President.

The Farm Records & Tax Service is provided to farmers, and agribusinesses in South Central Pennsylvania. Since January 1st 1985, the farm records and tax service needs of farmers previously served by the Agway Profile Records and Tax Service have been met by the York Farm

Credit Service. Based on the success of this new program in 1985, York Farm Credit Service created a new position to service the York and Adams Counties. Hodge will be responsible for servicing the Farm Records & Tax Service needs of these clients.

Hodge, a native of West Chester, was previously employed by Highland Orchards, a family farm operation, where she served as Sales Manager. Prior to that time she was employed by the New

Jersey Department of Agriculture as an Agriculture Statistician. She attended Pennsylvania State University and received a Bachelor of Science Degree in Agricultural Education.

The basis that the Records & Tax Service offers is the Agrifax system, which is a time proven, user oriented, computer based system that is used by approximately 18,000 farmers across the nation. Rush noted that the Agrifax system being used by York

Farm Credit can be used with a farmer's own computer or information can be provided to Farm Credit's computer for processing, which provides useful monthly reports making today's critical farm management decision. Another record keeping option available is the manual system, which features quarterly profit and loss statements, which enables Farm Credit to serve a wide range of farm accounting needs.

The Farm Records & Tax Ser-

Holly K. Hodge

vice is available to all farmers eligible to use Farm Credit's lending programs, even if they are not present borrowers.

The York Farm Credit Service presently provides over \$90 million in long term Land Bank loans to 1,366 borrowers and \$31 million in short term Production Credit Association loans to 881 borrowers in South central Pennsylvania.

York Farm Credit Service is affiliated with the Farm Credit Banks of Baltimore, part of the nationwide Farm Credit System, the nation's leading agricultural lending institution.

DASHING THROUGH THE SNOW.

The storm will pass. And thankfully, so will you with a Kubota snowblower.

We have snowblowers that attach to most Kubota diesel tractors, and they are a cinch to operate. They clear snow from driveways, roads or parking lots. Break up and clear heavy drifts. And the large diameter chutes give you excellent control of casting distance.

So next time the forecast calls for snow, relax. It'll blow over. With a little help from Kubota.

Nothing like it on earth.™
