Huge Planter Savings with John Deere IRAs (Inventory Reduction Advantages)

During John Deere's factory authorized inventory clearance you can save thousands of dollars on a new John Deere Max-Emerge planter. And John Deere IRAs make the deal even better.

Max-Emerge planters started as a promise from John Deere to farmers. Actually, several promises.

- Consistent planting depth
- Positive seed/soil contact
- Uniform germination
- Maximum emergence

Now you can get all this and great prices, too. The best planters we've ever made are now value-priced like never before. These are the market leaders - not "also rans". More than a million rows have been put to work.

JOHN DEERE FACTORY AUTHORIZED CLEARANCE

INTRODUCING THE NEW JOHN DEERE 100 SERIES

The \$115* you don't spend this year will buy
a lot more lawn tractor than last year

New John Deere 100 Series tractors offer you a lot more than last year's 100 Series and, in most cases, for a lot less.

Five models in the brand new line sell for \$140 to \$170 less and two models sell for the same suggested list prices as their 1985 counterparts.

What's new for '86? Virtually every thing. Sleek styling with new hoodlines and sporty 2 spoke steering wheel. Fully enclosed 9 to 17 hp engines for quieter, more powerful performance. Full pressure lubrication and overhead valves on most models for better productivity and longer engine life.

Choose 5 speed gear drive. Or no clutch, one lever hydrostatic drive. Either way the mowing is easy with sector and pinion steering, tight 21 to 23 inch turning radius and 30, 38 or 46 inch mower deck.

See us today. And get a real run for your money with a new John Deere.

Average reduction in suggested list price of 1986 100 Series tractors compared to 1985 models. Some models have larger individual savings. Others are the same price. Actual selling price of each model may vary by dealer.
