## Case International's BEST FEATURES

1. The "Silent Guardian" cab improves on our best. (Standard on all 94 & 96 series tractors.) It's heavily sound-proofed and weather proofed to provide a quiet, comfortable environment that will help make you more productive because of less fatigue. Controls are handy and easy to use and you have a fine view to the front, rear and both sides. Standard equipment with the "Silent Guardian" cab includes our deluxe seat that you'll really appreciate every day, every year. It's ultra-adjustable, with adjustable arm rests, adjustments for height, weight, and leg length... plus lumbar adjustments and a fore-aft isolator to smooth out bumps. It even swivels. A retractable seat belt is standard. It's the seat for you in the finest cab we've ever built.

2. Electro-hydraulically actuated power shift is standard with the 12-speed transmission. Power shifting allows you to make "instant" on-the-go speed changes without clutching, without any time loss for maximum productivity every hour.

3. Advanced electronic instrumentation sets new industry standards. Fully digitalized, it shows you, at the touch of your finger, engine and PTO RPM, ground speed, total acreage worked, work rate and much more. This advanced monitoring system helps you select the most efficient gear so that you'll get maximum output per gallon of fuel.

4. True ground speed sensor (optional) tells you at a glance the actual percent of wheel slip. This makes it easy to weight your tractor correctly. It's another help for achieving better fuel economy by using the best transmission gear. By knowing your exact ground speed spraying applications are more accurate.

**Feature for feature, horsepower for horsepower and dollar for dollar, you'll look long and hard to match the value you get in these tractors.**

Case International tractors provide a combination of hard-working field performance with a host of comfort and convenience features that you'll appreciate from the first day you own one to several years down the road when it's trade-in time.
