

## Maggie Blackburn joins ABS

Robert W. Benson, Director of Marketing for American Breeders Service, has recently announced the appointment of Maggie Blackburn Korslin as writer and advertising assistant.

Korslin is a graduate of the University of Wisconsin-Madison with a B.S. degree in Agricultural Journalism. Following graduation she was employed by American Family Insurance in Madison as field communications coordinator and produced the firm's monthly newsletter and field magazine.

In her new position, Korslin serves as editor of the ABS Breeders Journal. This quarterly goes to a mailing list of one hundred and thirty thousand dairymen, beef producers, and agri-business people throughout the U.S.

Korslin is employed at the ABS headquarters near DeForest, Wisconsin. She and her husband, Robert, live in Madison.

Maggie Blackburn was recently appointed to the position of writer and advertising assistant with ABS.

## Roller baskets available from Unverferth

WARSAW, Ind. — The roller baskets used in the Rolling Harrow soil conditioner from Unverferth Manufacturing, Kalida, Ohio, are now available as independent attachments.

Both single and double roller attachments can be mounted to a wide range of tillage tools, and are available in 2, 3, 4, and 5-foot roller widths.

The roller basket attachments deliver the same mulching, agitating and mixing action they are known for in the Rolling Harrow soil conditioner. The result is fine soil at seedbed level with coarser soil on top.

For information, contact: Unverferth Manufacturing, Inc., P.O. Box 357, Kalida, Ohio 45853. Telephone 419-532-3121.

Roller baskets used in Unverferth's Rolling Harrow are now available as independent attachments.
