HUTCHMASTER

MADE FOR EACH OTHER

- Next time your skid-steer loader engine breaks down, have a Deutz repower job done by us - or do it yourself with some advice from us. Costs much less than new diesel loaders, plus accelerated tax depreciation rate too. Plus fuel savings alone could return the purchase price.
- Repower with a DEUTZ F2L-511 diesel, 30 Hp @ 2300 RPM SPECIAL SALE of surplus engines, loader version, spec #251-015/02. This engine is the diesel option used in many major brand skid loaders.
- Most hydro drive and some belt drive skid loaders can be economically repowered.
