Fed cattle and Hog prices are showing signs of getting lower in the next few weeks. Let's hope they don't drop too much.
 Spring is just around the corner, and demand for Feeder Cattle is building up. Our Special Feeder Sale Schedule is March 4th & 18th, April 1st, 15th, and 29th. These sales have become popular with

Buyers, because the supply of cattle is usually larger. Plan to use one or all of these sales.
 If you would like to advertise your cattle FREE on this card, let us know 1 week ahead.

MAINTENANCE
 Eby aluminum trailers won't rust. Welding and painting can cost you dollars in down time and repairs.

DURABILITY
 Eby trailers are built tough. Quality components of 6061 alloy aluminum provide the ruggedness required in a livestock trailer.
