At Farm Credit, our loan officers really know farming, so we understand the expenses that just naturally go with it. As farmer-owned, farmer-controlled cooperative lending institutions, we're true specialists in agricultural credit. We know the ins and outs of making your operation as productive and profitable as possible with the loan you need. We're in business to help make things better for farmers and their cooperatives. And we do it by providing a wide range of financial services for all kinds of farm expenses — from seed and fertilizer to equipment maintenance and fuel.

There's an office near you. Call or stop by today and talk loans for farm expenses with the people who speak your language.
