Restore original performance with a Remanufactured Case International clutch and save up to

Shift easy again! Install a Remanufactured Case International clutch for about a third less than an original replacement part. Remanufactured Case International clutches give you factory-fresh power for less. Here's why:

Remanufactured Case International parts aren't just ordinary rebuilt parts. They've been sent back to the factory for complete remanufacturing. Defective components are replaced when necessary—not just repaired. Then each component is rigorously tested to assure you long-lasting performance.

Get into gear for less than you may have expected. See us for your Remanufactured Case International clutch during our January Parts Value of the Month special.
