

**FEEDER WAGONS**

16', 21', 27' lengths available. A great feature for feeding cattle in meadows or in feed lots. Can be used for feeding round bales.

If old gas tanks are used for feeder wagon bottoms, they should be sand blasted. If not, the gas and rust may result in sick cattle or even death. Be safe and buy from us as ours are sand blasted before being painted.

Custom Built Cow Trough Dividers - Gutter Grates & Cattle Guards

\* Also Headlocks & Rack Wagons
