

"Urlaub auf dem Bauernhof" says the sign in German to attract tourists to four farms, of the Stollwitz family 1.5 km distant, of the Wassermann family "with comfort rooms", of the Zankl family with bio-products (all natural!), warm water facilities and shower, and the Zojer family with vacation cottages. These were just a few of the sights last year in the annual Delaware Farm & Dairy Tours to Europe, says Dr. George Haenlein, Extension Dairy Specialist with the University of Delaware and tour leader. Another tour is planned for next August to Switzerland, Northern Italy, Northern Yugoslavia and Austria (Zurich - Venice - Triest - Vienna) and is not limited to Delawareans or farmers. A few seats for \$1395 are still available. To make reservations, contact Dr. George Haenlein, 048 Townsend Hall, University of Delaware, Newark, DE 19717-1303 or phone 302-451-2522.

Cutter Bar  
Mower Attachment

BCS tillers do a lot more than till. Because the tiller can be replaced by a lot of other implements. Like a snow blower. Or a lawn mower. Or a sickle-bar cutter. And it only takes a few minutes to make the change. But you really have to see it to appreciate it.

Come in and check out this mechanical masterpiece. Ask to see the BCS in action. **BCS**
