

Pest fact sheets available from Delaware Extension

NEWARK, Del. — The University of Delaware Cooperative Extension Service has published a series of pest management fact sheets to help farmers make insect control decisions. The publications were written by extension pest management specialist Joanne Whalen and extension entomologist Mark Graustein.

Each fact sheet describes the insect and its life cycle or behavior, tells how to scout for it, and when and how to control it. Where appropriate, specific pesticide recommendations are included. The following titles are available:

- Insect Management in Sweet Corn.
- Dectes Stem Borer in Soybeans.
- First Generation European Corn Borer in Field Corn.
- Mexican Bean Beetle Control in Soybeans.
- Potato Leafhopper Control in Alfalfa.
- Black Cutworm Control in Field Corn.
- Alfalfa Weevil Control in Alfalfa.
- Soil Insects in Corn.
- Second Generation Corn Borer in Field Corn.
- Soil Insect Control in Soybeans.
- Grass Sawfly Control.
- Armyworm Control in Wheat and Barley.
- Aphid Control in Wheat and Barley.
- Cereal Leaf Beetle Control in Small Grains.
- Spider Mite, Thrips and Leafhopper Control in Soybeans.
- Podworm Control in Soybeans.
- Defoliating Insects on Soybeans.
- Insect Control in Late Planted Field Corn.
- Silk Clipping Insect Control in Field Corn.
- Insect Control in Farm-stored Grain.
- Cabbage Insect Control.

Copies of these free publications are available at county extension offices in Newark (451-2506), Dover (736-1448) and Georgetown (856-7303).

The Kubota L4150.

It's more than a match for any job you want done, and done well!

We feel that the Kubota L4150 is one of the most versatile mid-size diesel tractors you can find anywhere. It has the engine and PTO power to handle a wide range of farm jobs. Its size and agility make it ideal for orchard and vineyard work. As a hauler, transporter and worker for livestock operations, it can't be beat. People in the mowing and turf care business will appreciate its workability and adaptability to terrain and conditions. And the L4150 is ideal for landscaping and light construction tasks, particularly where box blade, back hoe and front loader work is concerned.

How can one tractor be all things to all people? Simply because the L4150 features an 8 x 8, partially synchronized transmission, 40HP two-speed (540 and 750 rpm) live PTO, position and draft control, a roomier operator's area designed for more comfort on-the-job, and a custom-matched front loader that can be mounted in minutes, and which is operated by a single joystick lever. Plus lots more!

The Kubota L4150. Read on about this dynamic performer before you put it to the test!
