

Morris Honored At Foundation Banquet

John L. Morris who served for 40 years as a 4-H club leader was honored for his service last week at the Maryland 4-H Foundation Dinner.

BALTIMORE, MD — Under the banner "FOUNDATION FOR THE FUTURE: Investment In Our Youth", John L. Morris, pioneer 4-H club leader was honored last week at the Maryland 4-H Foundation Dinner held at the OMNI International Hotel in Baltimore. Morris who has worked with young people during the last 40 years of 4-H growth in Maryland has taken 13 Maryland dairy judging teams to

national championships and to international competition. He was recently admitted to the 4-H Hall of Fame, which is the highest honor the foundation can bestow.

One of the additional purposes of the dinner gala was to raise money to build an endowment fund to insure financial stability for the goals and efforts of the foundation and the ongoing 4-H programs. As of press time the profits from the dinner were \$60,000. In addition,

foundation personnel are waiting to hear from a possible \$10,000 contributor.

Other honors were also given to the City of Baltimore for its leadership in encouraging a large increase in urban 4-H club and activity group members in Baltimore, approximately 3,000 to date, and the Baltimore Gas and Electric Company for its volunteer support.
