

Farming Territory

With Everett Newswanger, Managing Editor

Ready to apply herbicide to the corn field Donald G. Hoffer fills the sprayer tank behind his barn. Hoffer's Sher Don Farm is located at Lebanon R4.

This mother seemed rather protective of her new baby when the cameraman wanted to take a picture. The day old baby was in the pasture along Starnner Road near Route 322. Their farm owner for religious reasons didn't want to be identified but said mother is a good milker along with her 39 other stable mates.
