Check With Us For The Bale Chopper You Need For Commercial And Agricultural Uses

THE BALE CHOPPER IS THE GOOSSEN SOLUTION FOR LANDSCAPE, NURSERY AND BERRY MULCHING

Nursery

The Bale Chopper chops then blows straw around trees, bushes, on bedding areas or any place where you need mulch. Apply mulch with the 30' flexible hose; hand held as shown at right.

Residential & Commercial Landscaping

The Bale Chopper evenly applies straw over large areas, and is easy to use around trees, behind bushes, or in any hard to reach spot. And it takes the Bale Chopper less than a minute to thoroughly shred and distribute an entire bale, so even large mulching jobs are completed quickly.

Berry Farming

The Bale Chopper is ideal for mulching strawberries or any row crop.
