

## England Farms Dispersal Held

LANCASTER — The England herd, founded in 1933, was dispersed Thursday, with 16 animals topping the \$1,000 level.

Topping this sale and selling for \$1,550 was a Maurana Wis Telestar daughter. This 3-year old sold to Mark Pifer of Reynoldsville and produced a 2-year-old record of 11,010 pounds of milk with a 5.3 percent test.

Her dam, sired by Villa Crest P Leader, has a lifetime record of 120,520 pounds of milk in eight lactations.

The 3-year old, England Farms Tel Lolly, sold for \$1,450 to Blasco and Sons Inc., Jackson, N.J. She is bred to calve in August to Rozelyn DM Ernies Able.

Fred Garber, Chambersburg, bought the 3-year-old daughter of Western Glow Wistar Premier for \$1,275. She is due June 20 with a

calf from Dutch Mill Telestars Fayette. Her dam, a Villa Crest P Leader, produced a high record of 15,090 pounds of milk with a 5.2 percent test.

Also selling for the third highest price of \$1,275 was a 2-year-old daughter of Maurana Wis Telestar. She sold to Bill Askew, Hilmar, California; and is due in October to Dan Ba Lee Choice Future. Her dam was sired by Grandview Wistars Fabian.

Four Holsteins were also sold. Topping the Holsteins was a bred heifer by Cor-Vel Enchantment, with a price of \$1,150. She is due in September with a calf from Den K Kirk Boy.

Trot Acres, Enon Valley, purchased this granddaughter of Marshfield Elevation Tony.

The 100 head of Guernseys averaged \$676.50. The sale grossed

\$77,550. Four Holsteins sold averaged \$975.

Managing the sale was the Pennsylvania Guernsey Breeders' Association and the Merryman

Company. John Merryman was the auctioneer and Lee Yost read pedigrees.

"It was a strong sale for the market," Merryman said. Buyers came from six states.

Those in attendance at the sale learned of the Thursday death of Guernsey breeder K.C. McDonald.

He was a premier breeder, showman, and breeder. Born in 1900, McDonald was described as one of the greatest livestockmen of all time.

Services will be held for McDonald on Saturday, June 7 in Dallas, Texas.

Lee Yost (left) of the Pennsylvania Guernsey Breeders, Tom England, consignor; John Merryman, auctioneer; and Mark Pifer, purchaser, stand with the high selling cow of the England Farms dispersal. She sold for \$1,550. At the lead is Blair Doyle, Cloquet, Minnesota.

## Put more in your silo! With a Multi-Flo silage distributor.

The Multi-Flo silage distributor from Lancaster Level-Flo, Inc. packs silage around the edge of your silo—not just in the middle. It fills all areas equally so you blow in as much as 20% more.

It's simple—no motors or complicated parts. And unlike some fill systems, the Multi-Flo is always ready to work when you are—with no change-over time.

Now, maybe you plan to build a new silo. Or maybe you know your old fill system will never survive another year of hard use. Either way, for more information on the Multi-Flo silage distributor, contact the dealer listed below.

**FREE  
KNIFE!**

We know a free knife—even a \$20 value like this Trailblazer with leather sheath—is not reason enough to buy a silage distributor. But if you need the benefits of a new Multi-Flo and act by July 31—before the busy silo-filling season—we'll give you the knife. Call today.

Now available at:

**Specializing  
in  
Fluid  
Fertilizer**

With our liquid blending plant we can offer a custom mixed liquid fertilizer for your specific crop need.
