

Case International 85 Series Tractors

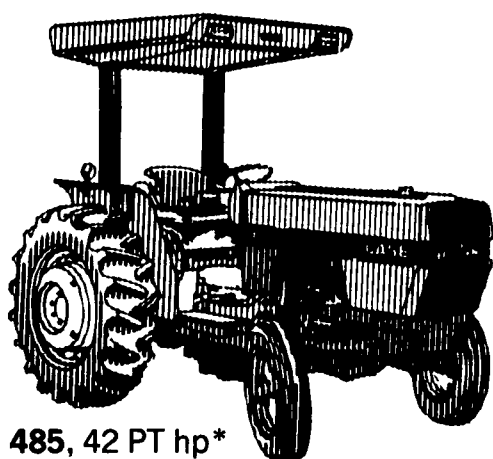

885, 72 PTO hp*

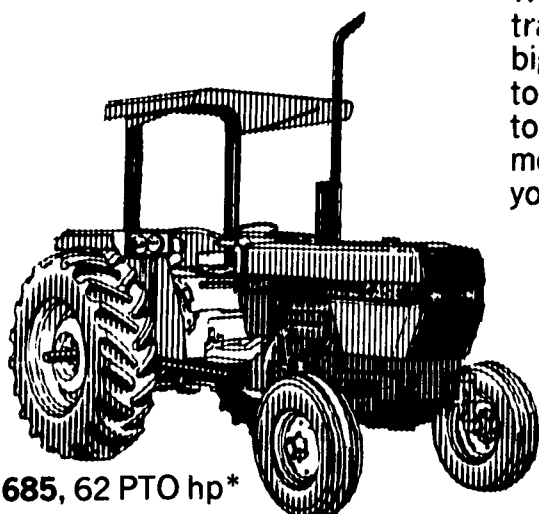

Choose from 14 different ways to get your work done right

You can fit your needs exactly with an 85 Series tractor because you choose from four horsepower ranges, in row crop, utility, low-profile, and mechanical front drive models. That's why 85 Series tractors fit so well into any type or size of operation. Dairy, beef, row crops, small grain, orchards and vineyards - small acreages or big spreads. These tractors produce in a big way in so many ways on so many farms.

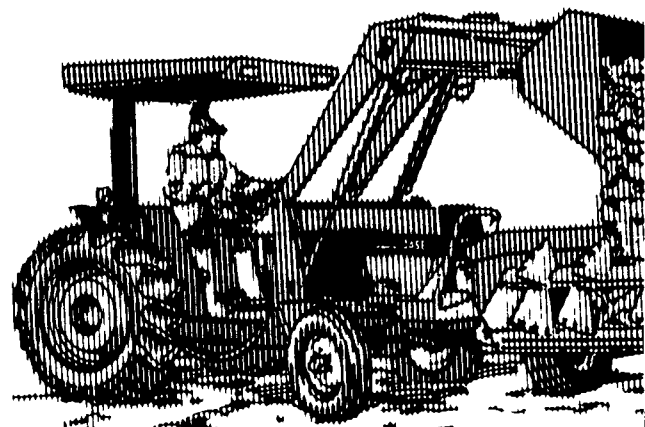

With their high-torque power and efficient transmissions, they'll never get "lost" in a big field. And their compact size allows them to work in tight quarters that are off limits to larger units. Get one and you'll use it more days per year than any other tractor you own.

485, 42 PT hp*

685, 62 PTO hp*

585, 52 PTO hp*

85 Series tractors - they're field and feedlot-ready.
