## Investor Awards Presented by Jersey Club

COLUMBUS, Ohio — National All-Jersey Inc., the milk marketing arm of the American Jersey Cattle Club, recently announced winners in their Campaign Equity's Ten and Five Year Investor Awards.

The Ten Year Investor Award is given to those dairymen who have invested money in National All-Jerseys's Equity Program for 10 continuous years. The Equity Program was launched in June, 1976.

The awards are in recognition and appreciation of longtime support and promotion of equitable milk pricing. This large number (88 dairymen nationally) of ten-year investors shows the dedication Jersey dairymen have to Campaign Equity.

The Equity Program has been a pioneer in promoting and developing a more equitable milk pricing system. A pricing system that includes payment for protein, in addition to fat. Today, most major cooperatives and cheese

plants price all or part of their milk using some form of "Equity Pricing."

In March of this year, the first Federal Order hearing was held to consider implementation of a component pricing system into the Great Basin Marketing area. As a result of Equity Pricing, Jersey dairymen received over an additional \$20 million in 1985.

The Equity Program is also very involved in working towards the adoption of higher minimum standards for fluid milk. The Equity Program is playing an active role in lobbying for minimum standards legislation on both the state and national levels.

In addition to California, which has enjoyed higher standards for over 20 years, two of the nation's leading dairy states, Minnesota and Wisconsin, have passed bills increasing their state standards contingent upon surrounding states doing likewise.

Ten Year Investor Award recipients in Pennsylvania are:

Bryncoed Farm, Middletown; William Dietrich, Newburg; Robert Dreisbach, Hamburg; Paul Herr, Holtwood; George W. Hough, Peach Bottom; Paul Longenecker, Lewisburg; David Robinson, Waynesboro; and Robert Ulrich, Quarryville.

Receiving the award from New Jersey is John Bishop VI, Columbus.
