High Quality. Low Price.

You know about Kawasaki reliability because you use our heavy duty engines. And you know that the Kawasaki name stands for top performance all over the world.

Now get this same kind of reliability and performance in the low-cost mid-size FA engine series. FA engines have quality features to spark your new equipment or to replace a worn-out power source.

Engine experts like our extra tough silicon aluminum alloy cylinder. And our wear resistant valve train for long trouble free service. They also like the versatility that allows our FA engines to trade places in the same mounting holes with the most popular conventional units.

4-cylinder FA engines are available in an HP ranging from 17 to 50. Many options available to match your applications. Put these reliable, economical Kawasaki engines to work on your new or used equipment. Call us today for the complete FA story. Built for keeps with Kawasaki quality at a competitive price.
