## ONE YEAR WARRANTY On Reconditioned & Updated Axial-Flow Combines

**CHARLIE HOOBER SAYS:**

"The Axial-Flow Combine was introduced 9 years ago in 1977. Since then, field experience shows that a used Axial-Flow Combine reconditioned and updated by our mechanics provides years of trouble-free performance. Because of the simple design of the Axial-Flow Combine and the experience of our organization, I will provide one year limited warranty on any Axial-Flow Combine reconditioned and updated by our combine mechanics. I cannot offer this type warranty on a conventional combine."
