**Before you buy one more filter, compare John Deere quality, price and total value**

A quality product sold at a fair price—that's the meaning of value. John Deere sells a full line of filters—oil, air, fuel and hydraulic. Each filter is matched to your equipment to provide top performance and protection. And, they're factory tested and field proven to ensure you're buying the best total filter value for your dollar. Compare filter quality, compare filter value and you'll buy John Deere.

## EXCLUSIVE FEATURES

**John Deere 3950 Powr-Mizer Forage Harvester lets you get all the yield from your field**

The John Deere 3950 Powr-Mizer Forage Harvester has the exclusive features you need to get more of your crop into the wagon and silo

Exclusive Spout-Trak™ aiming control locks in on the trailing wagon around turns and down crooked rows. Exclusive Row-Trak™ guidance system keeps the row unit centered on rows through turns and around contours.

The Iron-Gard™ metal detector helps protect your cutterhead and livestock from ingesting harmful metal. And the famous segmented-knife Dura-Drum™ cutterhead provides a clean, uniform cut. Stop in soon for details.

**New Harvesters In Stock For Immediate Delivery**

## DESTROYS ANT HILLS

**Ant hills seldom choke  
John Deere's new  
1327 Rotary Mo/Co**

Forget about unplugging a cutterbar filled with fire ants. John Deere's new 9-foot 3-inch 1327 Rotary Mower/Conditioner slices through fire ant hills like a hot knife through butter.

The secret? Seven rotary disks speed you through fire ant hills, gopher mounds and thick, tangled grasses with little chance of plugging.

The 1327's talent doesn't stop with clean cutting. Its advanced hay-conditioning system can trim hours off drydown time. Stop by today and find out how a 1327 can give your fire ants their lumps.
