

# Built For Speed... Designed For Reliability... Priced For You...

For a limited time, YOU can combine the proven steel box beam main frame that folds over for flat storage and transport with the best price ever, and that makes sense... dollar and "cents." Purchase a new WFE row crop cultivator or any other implement or planter by July 31, 1986 and benefit from the following interest waiver program:

**IMPLEMENTS. WAIVER OF INTEREST UNTIL MARCH 1, 1987**  
(including the row crop cultivator)

**PLANTERS...WAIVER OF INTEREST UNTIL MAY 1, 1987**

Or take a discount off the price in lieu of the above waiver programs. Discounts range up to \$1,600 depending on size of implement or planter. All waiver of interest is offered through **WHITE FARM FINANCIAL SERVICES** only — subject to normal terms and discounts.

The clean design and massive box-beam frame of the 378 row crop cultivator lets you actually run faster and more accurately than with many lighter machines.
