

We Speak Your Language.SM And Meet You More Than Half Way.

At Farm Credit, we don't think a lender can really understand what's behind your requests by staying behind a desk. So when you can't take the time to come to us, we know how important it is to make the time to come to you. To the farm. To the field. Wherever it's convenient for you. Because we know what you're up against.

As a farmer-owned, farmer-controlled lending cooperative, we're true specialists in agricultural credit. We're in business to make things better for farmers and their cooperatives. And we do it by providing a wide range of financial services for everything from operating expenses and equipment to land acquisition and family needs.

There's an office near you. Call today, and see how handy it can be to talk loans with the people who speak your language.
