NOTICE
 Dangler & Williams arch support specialists from Ohio are now making regular trips to your area. (PA, DE, VA & MD).
 They will be giving free footprints to see if you need arch supports.
 The arch supports are hand crafted from a light-weight leather made from impressions of your feet. Your feet are like the foundation of a building. If you strain your feet, it can cause you to have trouble in other parts of the body.
 Anyone interested in a free examination please contact us, write or call.
