

Couples Named To Conference Leadership Positions

DANVILLE — Five Pennsylvania couples were named to leadership positions for the 1987 PAFC Couples Conference at the

13th annual conference held here this month.

David and Barbara Kehr, Lit-tlestown, were selected from the

pool of four 1986 region leaders to serve as conference hosts and chair for the 1987 conference, sponsored by the Pennsylvania Association of Farmer Cooperatives.

PAFC Region Leaders for 1987 include the following: Northern

Region, Dan and Laureen Naylor, sponsored by Northeastern Farm Credit; South Central Region, Alan and Kendra Meyers, Greencastle, sponsored by Dairymen, Inc.; Southeast Region, Ralph and Crystal Moyer, Myerstown, sponsored by Sire Power; and Western Region, Henry and Cyndy

Cass, Wattsburg, sponsored by MMI.

The annual conference focuses on agricultural cooperatives and today's economic climate as well as how cooperative function. It is only one of several educational efforts sponsored by the trade association.

Region couples named for 1987 include (left to right), Alan and Kendra Meyers; Dan and Laureen Naylor; Ralph and Crystal Moyer; and Henry and Cyndy Cass.

Give house plants a little special attention before you leave. However, if you plan to be gone for more than two weeks, ask a friend or neighbor to water the plants for you.

Soak your house plants thoroughly the night before you leave the put them in plastic bags just before departing. Tuck the bag under the pots so the plants are completely covered.

Try to keep the leaves from touching the plastic. A few sticks or wire stuck into the soil will support the plastic.

Never put plastic covered plants in the sun. They would bake to death. However, be sure they get plenty of light. Don't be alarmed if there are a few yellow leaves on the plants when you return. With normal care they should soon recover.

LOMBARDINI
The Powerhouse

DIESELS
The Farmer's Choice

MOWERS, BALERS, CORNPICKERS, CHOPPERS, ETC.

We have the right size, weight, shape, price and engine available. 4 to 80 H.P.
