

Investing in Design.... To Save Farmers Money

Performance is written all over our new 95 hp and 115 hp engines that power the 1896 and 2096 Case IH tractors. Recent fuel economy tests of our new engine at Nebraska far exceed previous Case or International Harvester engine designs by saving farmers nearly one gallon of fuel per hour. With nearly one-third of the cost of ownership of a tractor directly related to fuel cost **THAT'S INVESTING IN DESIGN TO SAVE FARMERS MONEY.**

Case IH
