

Montgomery County 4-H Fair To Highlight Canine Frisbee Competition

CREAMERY - The 4-H Clubs of Montgomery County will host the Gaines Ashley Whippet Invitational for disc catching dogs on Saturday, August 16th at 11 a.m. at the Montgomery County 4-H Center.

All dog owners, youth and adults, with trained dogs are encouraged to compete and everyone is invited to view the proceedings.

Also included in this show will be a demonstration given by one of the top dogs on the east coast.

Sheba, owned Rick Pierson of Norristown, is a 9-year-old German Shepard who has been competing for years. She has been in the top three placings at many local competitions and is currently in the state standings. In addition to her competitions, Sheba has given many demonstrations for local organizations.

The Ashley Whippet Invitational is named for Ashley Whippet, a three-time world champion, celebrated canine athlete and TV

and film star. There is no entry fee for competing. The event is open to any dog who can catch a frisbee disc. Trophies will be awarded to the top three places and a tee shirt will go to the first place winner. Everyone who participates will receive a ribbon and a certificate. Frisbees will be provided.

For more information or to register for the contest please contact Nancy Kadwill, county agent, at 489-4315. Advance registration is requested for the

contest participants.

This is only one of the many fun events which are part of the county 4-H Fair. The Fair runs August 14 to 16 and is open to the public. Other events on Saturday, Aug. 16th include a Pet Parade, Chicken

Bar-B-Que, 4-H Dairy Goat show, and a Antique Car Parade and presentation by "Karen's Kids" a twirling group. For a complete schedule of the Fair events contact the County Extension Office.

Rick Pierson of Norristown and "Sheba" will be among those participating in the upcoming Gaines Ashley Whippet Invitational for frisbee catching dogs on Saturday, Aug. 16th.

The Heart of every EASTERN CROWN Tank Washer

... is the electronically accurate control system that translates your instructions to the washer itself

Complete Automatic Tank Washer Includes:
Electronic Controls
1 or 2 Spinners
Pump and Hose

AVAILABLE WITH Automatic Electronic Control

Say goodbye to the inconvenience of hand washing forever. Eastern Crown has perfected a clean-up system that's entirely automatic. At the flick of a switch your unit washes, rinses, sanitizes and drains while you tend to other chores. You know it's "the best" because the Eastern Crown name is on it. Special spinners spray-clean with such force that they sanitize much more thoroughly than is possible by hand.

TWO STEP ECONOMY PURCHASE PLAN. If now is not the time to go fully automatic then take advantage of Eastern Crown's flexible plan and go semi-automatic by using a timer with the pump unit which is available separately. Add the control unit later. Here's an easy way to make a major improvement at a minor expense. Eastern Crown Tank Washer is easily installed with no structural changes in your present set-up. It's the way to improve quality and increase profits automatically!
