**"CLEAN FLOW" Stakeless Bodies by OMAHA STANDARD**

**Real GRAIN POWER!**

- 52" or 60" heavy gauge sides give you more hauling capacity for grain, sugar beets and other commodities.
- "Clean Flow" design of the extra deep 30° sidewall corrugations allows complete emptying with no sharp corners for grain to hang up
- Greater inside width and length make this an ideal body for hauling bagged or palletized products.
- Standard three section full opening rear doors
- Complete your "Grain Power" package with an Omaha Standard work-proven hoist. Choose from the most complete line of scissor or stabilized "Olympic" telescopic hoists.
- Compare any of Omaha Standard's full line of steel, aluminum or wood grain bodies and rugged hoists. You'll know why Omaha Standard is the most respected name at work on the farm today
