

**Having Just One
Kind Of Customer
Keeps Us One Up
On The Competition.
And Speaking
Your Language.**

Farm Credit has to understand the special kind of financial service you need—and be prepared to do a superior job of providing it. It's the only job we have. So farmers and their cooperatives should expect a lot from us. Or we shouldn't expect them to do business with us.

Call or come by today. You'll have the undivided attention of the people who speak your language.
