NEWEST ADDITION TO OUR SQUEALER LINE

## BUSH HOG® SQ84 7-FOOT ROTARY CUTTER

**NOW YOU CAN CUT LARGER  
ACREAGES FASTER—WITH A SMALLER  
HORSEPOWER TRACTOR.**

Affordable. That's the best way to describe our newest Squealer rotary cutter. It mounts to smaller tractors. It cuts large areas fast, with a full 84-inch swath. And it is one of the most economical rotary cutters on the market. With the same clean design of all Squealers, the 7-foot model features 11-gauge steel deck

and side skirts. And you get a full 2-year warranty on solid rubber tailwheels. Two oval bladeholders with 1/2" x 3-inch blades are standard equipment. It's built to last to give you years of dependable cutting performance—and a minimum of maintenance.

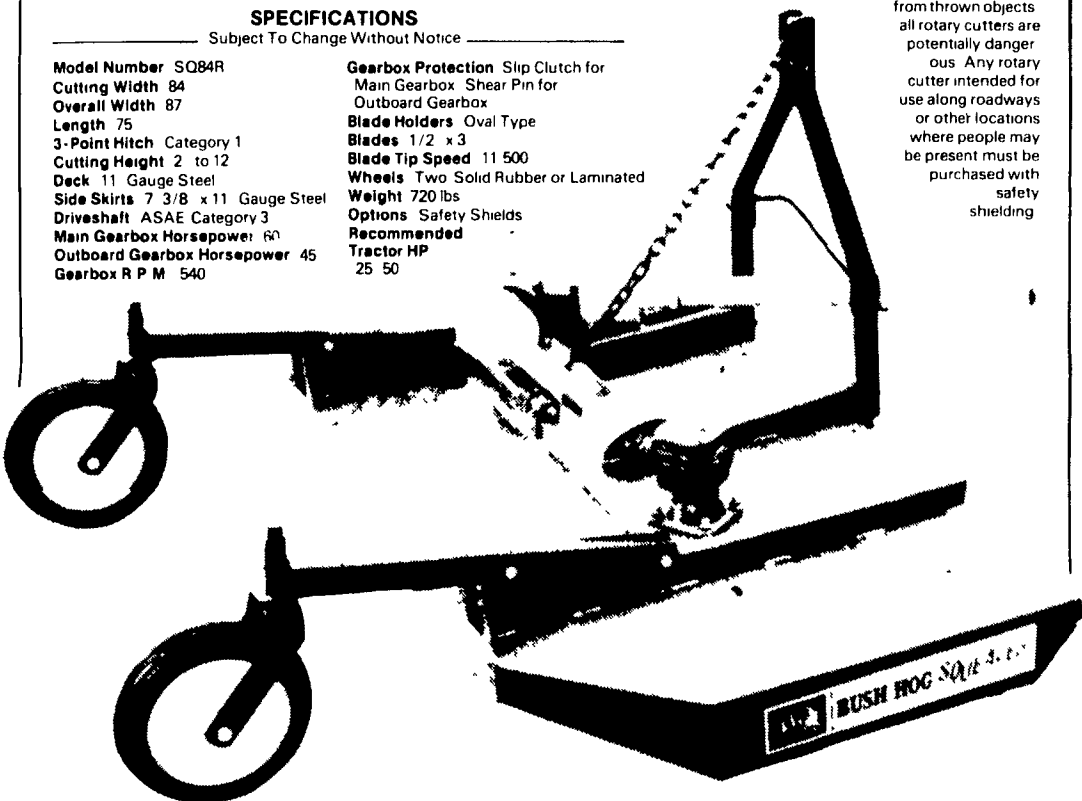

**SPECIFICATIONS**

Subject To Change Without Notice

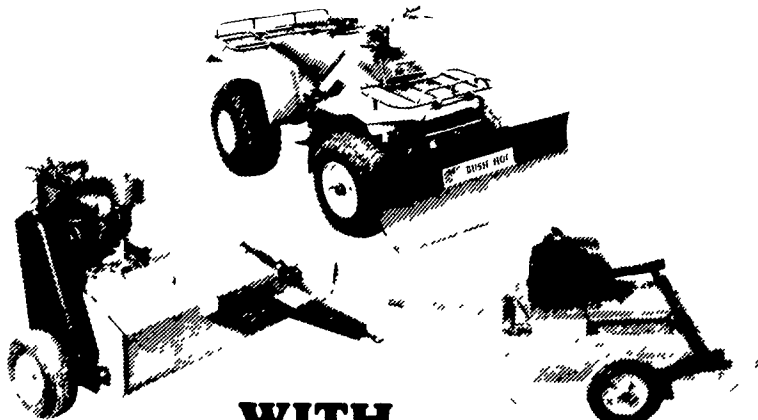

Model Number SQ84R  
Cutting Width 84

## Turn Your A.T.V. Into A Real Workhorse!

### WITH BUSH HOG® POWERED PRODUCTS

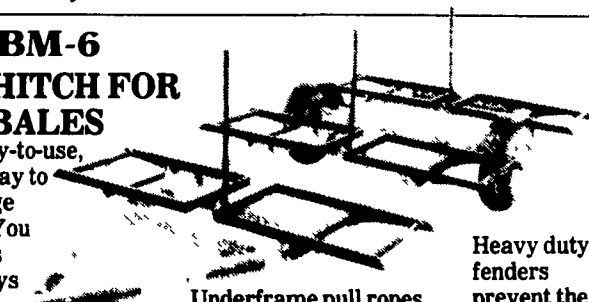

Bush Hog's Powered Products really put your A.T.V. to work... and take a lot of effort out of chores around the farm and home.

There's a Bush Hog Powered Product for almost every outdoor job—grass cutting, lawn mowing, spreading seed and fertilizer, moving sand and snow... even splitting firewood. And when you're through there's a Bush Hog A.T.V. Trailer to take you home.

So come in now and find out more about Bush Hog Powered Products—and how to let your A.T.V. do the work.

### RBM-6 BALL HITCH FOR 6 BALES

Here's an easy-to-use, economical way to transport large round bales. You can load bales either sideways or lengthwise with plenty of support and stability.

Underframe pull ropes easily pivot the cradles to release the bales. Cradles are designed with minimum pressure on the latches—most of the weight is carried on the steel frame.

Heavy duty fenders prevent the hay from contacting the tires.

### 3108 SERIES
