(Turn to Page D14)

Look down front for superior harvesting control.

L3/M3/F3 Gleaner combines.

Down-front cylinder. Crop always under control with cylinder mounted just 15 1/2" from header. Helps avoid crop damage and loss.

Centerline design. Cab in center lets you see both ends of header. All major components centered side-to-side and front-to-back so weight is balanced for top traction, flotation, stability.

New BacMaster seat. Features 7 different adjustments, including lumbar, for the ultimate in operator comfort. Luxurious one-piece molded cushioning is exceptionally durable. No seams to wear out or split open.

Electro-hydraulic pushbutton controls. Provide effortless fingertip control for raising and lowering header and reel, regulating reel speed and all other functions.

Solid-state monitoring. Large, easy-to-see tactile readouts keep you informed on key combine functions. Warning lights and audible alarm report any malfunction instantly.

Headers for any harvesting need. A complete line of integral flex headers, rigid grain headers and ear saving corn heads. Wide choice of sizes for handling any crop needs.

Stop in. See what sets Deutz-Allis apart!
