

# Saylor, Price Exhibit Troy Fair Show Champions

TOWANDA — John Saylor of North Ghent 4-H Club exhibited the grand champion fat lamb at the

recent Troy Fair Show. The 100-pound champion lamb was purchased by Farm Credit of

Wysox for \$3.50 per pound. Reserve champion honors went to Karie Bowen of Windham 4-H. P&N Packing of Wyalusing purchased her 95-pound fat lamb for \$3.50 per pound.

The grand champion hog was exhibited by Jennifer Price of Hollenback. Her 236-pound champion was purchased by Hatfield Packing for \$4.25 per pound.

Reserve honors went to Geoffrey Powell of Windham 4-H. Wyalusing Sales purchased Geoff's reserve champion for \$2.25 per pound.

Other buyers at the sale were Wells Mills, Sinbads Restaurant, Troy Agway, Judsons Agway, First Bank of Troy, Columbia Cross Roads Equipment, Sunshine Veal, Troy Sales, Tom Horton, Rockwell Feeds, Doug Stewart, Eric Husted, Troy Fair Association and Dean Elliott.

The sale of 31 lambs and 12 hogs was a highlight of the annual 4-H FFA livestock show and sale. The sale was conducted by Robert Shaylor and Robert Garrison.

Jennifer Price, left, poses with her grand champion hog, which was purchased by Hatfield Packing.

John Saylor, left, showed the champion lamb. Lynn Chubbuck, right, of Farm Credit, purchased his champion.

## LIQUID SILAGE FORTIFIER

has been used by progressive farmers for over 17 years. University tested and proven MOPRO Liquid Silage Fortifier is formulated to balance the major mineral and protein deficiencies of silages. It conserves dry matter by slowing down the heat of fermentation and also prevents loss from mold and rot after being removed from the silo or trench. MOPRO is added at the time of ensiling and is applied by metering equipment with very little handling cost. MOPRO will not corrode mild steel tanks or brass fittings and has no free ammonia odor to irritate the eyes or skin. MOPRO is a homogeneous solution of ammonia salts, urea, cane molasses, and minerals (except salt and calcium) in an efficient liquid carrier. It provides nitrogen for improved fermentation in the rumen and contains a mineral balance of phosphorous, magnesium, and trace elements including selenium. MOPRO 100 will give a resulting silage of up to 14.3% protein.
