THE 35 HP TRACTOR WITH ALL THE "OPTIONS" STANDARD

Case International 385 Utility Tractor

The husky Case International 385 utility tractor is the only 35 horsepower tractor that has a synchronized transmission independent PTO hydrostatic power steering wet disc brakes console controls plus the convenience of a walk through operator's deck all as standard equipment

Use the Case International 385 with small plows disk harrows cultivators mowers loaders spreaders and many other implements to do work at the lowest cost. And unlike many tractors in the 35 horsepower category you don't have to add a lot of extra cost options to make it field and feedlot ready

Come in and see the Case International 385 tractor

Protects itself in your rocky fields!

Case International 496 Cushion Gang Disk Harrows

- Folding wing sizes from 18' to 32' with 7 1/2" or 9" spacing
- Disk blades last up to 20% longer than ordinary blades due to tough Earth Metal steel
- Level diskings with synchronized master and slave hydraulic cylinders

You need all the protection you can get for your disk harrow in rock and root infested ground. The Case International 496 cushion gang disk harrow may be your answer. It soaks up shock loads with exclusive C-shaped double-spring steel bearing standards. The gangs flex and float over obstructions. This cushioned "give" protects your harrow while providing uniform depth control over your entire field, and across the full width of cut, over the full harrow length.

See Cushion Gang Disks and their tougher blades now!
