MODEL 411 DISCBINE
 with Hydraulic Header Tilt

The Model 411 Discbine® disc mower-conditioner keeps on going, even in your toughest crops. Six discs make a 10-foot wide cut. They'll mow through fire ant hills and gopher mounds; and slice under down, tangled crops. Seven-foot wide intermeshing rubber rolls condition your crop gently and thoroughly for faster drying. You can lay down a wide swath or switch to windrow in seconds without tools.
