# INCREASE EACH LITTER

with healthier, bigger pigs and more productive sows

**Stanfield® Heat Pads**—the lowest cost source of extra heat for your young pigs in your confinement operation

**Healthier Pigs**—with extra heat without piling pays off with better rest and reduced scours

**Larger Litters**—the best way to keep pigs away from the sow. Virtually eliminates crushing

**Better Heat**—efficient uniform warmth keeps vital organs away from cold floors, prevent chilling drafts.

**More Productive Sows**—cooler sows experience less stress and produce more milk

**Bigger Pigs**—energy is preserved for growth. Allows you to wean stronger pigs

# WATER WATER WATER

Bad water will lower your income

By removing nitrates, bacteria & sulfates from your water you will have a healthier herd. Acid in water increases herd health problems.

Reduce Reproduction Problems  
Reduce Herd Health Problems

Produce More Milk

We can remove these nitrates, bacteria & sulfates and put your PH to near neutral.
