

OCTOBER IS COOPERATIVE MONTH

**pulling
together,
we can
all pull
through**

Cooperative Organizations and institutions play an important role in meeting the needs of our citizens and in improving our communities. They are among our leading business enterprises, with millions of owner members.

Many benefits are gained by belonging to cooperatives and many contributions are made by these special institutions to the economy and development of our state and nation.

The Eight Milk Cooperatives serving the dairy farmers in Pennsylvania and neighboring states are proud to be a part of this great cooperative enterprise.
