Every New Holland round baler is backed with a 2-year/5,000 bale chain replacement policy to the original purchaser

If the chain fails under normal use and maintenance, New Holland will cover the cost of the replacement chain, including labor, for 12 months or 2,500 bales. Additional coverage of 12 months or 2,500 bales is provided on the chain only, labor not included.

This chain replacement policy is subject to some exclusions. See us for further details.

Picture perfect bales

The Model 855 round baler makes dense, picture-perfect 5½' x 5½' bales. The Super-Sweep pickup gets the short, fine hay ordinary pickups miss, and turns it into

solid, well-shaped, 1700-pound bales. Stop by and we'll show you all the quality features of the '855.
